

THEO J.M. TIMMERMAN
Vice President and General Manager, Roof Systems
Light Vehicle Systems

Theo Timmerman is the vice president and general manager of Roof Systems within ArvinMeritor's Light Vehicle Systems (LVS) business group. In this position, he is responsible for leading the overall strategic and operational management of the company's passenger vehicle roof systems business. Prior to taking this position in July 2007, he was the vice president of Procurement for LVS.

Timmerman joined the company in 2004 as the senior director of Procurement for Aperture Systems within LVS, and was promoted to vice president of Procurement for LVS in 2006. Prior to joining ArvinMeritor, Timmerman worked at General Electric Plastics Co. for 16 years in the capacities of general manager, Sourcing, Europe and Global Key Raw Materials; and leader, Global Color Technology.

He holds a bachelor's degree in chemistry from the University of Amsterdam. Timmerman is fluent in Dutch, English, French and German.

ArvinMeritor, Inc. is a premier global supplier of a broad range of integrated systems, modules and components to the motor vehicle industry. The company serves light vehicle, commercial truck, trailer and specialty original equipment manufacturers and certain aftermarkets.
