

## XpresswayPlus.com

---

### Overview

XpresswayPlus.com is ArvinMeritor's commercial vehicle aftermarket web site designed to facilitate online parts ordering and cataloging.

Current trade customers with an authorized user ID and password can place and check on all Meritor® brand and Euclid product orders. In addition, any visitors to XpresswayPlus.com can view the Company's complete, up-to-date online parts catalog. This catalog features the company's full array of more than 100,000 undercarriage and drivetrain components.

XpresswayPlus.com simplifies warehouse distributor (WD) stock orders for maintenance parts, and specializes in emergency orders for OEM and WD customers needing repair parts within 24 hours.

### XpresswayPlus.com Functions/Features
